

UAW LOCAL 735

Well, here we are at the end of the road. The line has shut down for the last time. It is hard to believe GM Powertrain Willow Run is officially closed on December 23, 2010 but UAW Local 735 lives on. We have moved into the old Ford Ypsilanti Local 849, which is located at 454 Chidester, Ypsilanti, MI 48197 and the telephone number is 734-482-5620. We are hoping to be there at least through the end of 2011. We have also started a group on Facebook called *Local 735 Forever!* If you get a chance check it out and feel free to post any questions you may have.

A lot of members are being laid off that haven't been laid off in a long time. General Motors will file your initial claim and you should receive verification by mail about one week into your layoff. You must call MARVIN the third week you are off and every two weeks after. If you miss your scheduled time to call MARVIN you can call anytime during business hours Thursday or Friday but you **MUST** call the same week. If MARVIN doesn't give you a dollar amount call me immediately as this means there is a problem with your claim. SUB pay will be automatic as usual. If you do not want the debit card from UC you can call or open an account online to set up direct deposit. If you receive a vacation payout in January **do not** claim it as income to unemployment.

In closing, I'd like to thank everyone for the time we have shared together. I'd like to especially thank my good friend and co-worker Don Skidmore for his many years of service to this membership and all that he has taught me over the years. It has been a great ride and I'll always look back fondly on the years I was blessed with the privilege of being your Benefit Representative. Have a Merry Christmas and Happy New Year and be sure to stop by or call after the new year if you have any questions.

Best of luck to everyone and may God bless,

Jeff McDowell
